### APPLICANT'S STATEMENT

I hereby affirm that the information provided on this application (and accompanying resume, if any) is true and complete. I also agree that any false information of significant omissions will disqualify me from further consideration for employment and may be considered justification for dismissal if discovered at a later date.

I authorize and agree to cooperate in any investigation of my past employment, education, and background and relieve from liability all persons or entities requesting of supplying such information. I understand that any offer of employment is conditioned upon my successful completion of any of the Church's pre-employment screening processes; including the Church receiving references that it considers satisfactory, and the satisfactory completion of any pre-employment physical examination the Church may require.

I understand that as a condition of employment, I may be required to undergo and successfully pass a screening for alcohol and/or drugs. I also understand and agree, if employed, I may be required to submit to an alcohol or drug screening at any time at the discretion of the Church.

I understand that should I accept an offer of employment, that either the Church or I can terminate my employment at any time for any reason, that I am not being employed for any specific duration and that this application does not constitute a contract of employment.

I understand and acknowledge that, aside from this employment-at-will relationship, no one other than the Senior Pastor or the Board of the Church has the authority to enter into any other employment contract between the Church, and me and that any such contract must be in writing and executed by me and such representative of the Church.

I understand that should I accept an offer of employment, I may be required as a condition of employment, to execute an agreement to abide by the Church Constitution and Staff Standards, in which event, I agree to be bound by the terms of such agreement(s).

I understand that the completion of this application does not establish any obligation of the Church to hire me. Federal law requires that employers hire only individuals who are authorized to be lawfully employed in the United States. In compliance with such laws, the Church will verify the status of every individual offered employment with the Church. In this condition, all offers of employment are subject to verification of the applicant's identify and employment authorization, and it will be necessary for you to submit such documents as are required by law to verify identification and employment authorization.
